Notes

- Pre-registration is limited to 19 credits (16 if cumulative GPA is less than 2.0).
- The day before classes begin, credit hours are automatically increased to 21.
- A grade of C or better must be earned in all prerequisite courses (including CPSC and MATH courses) before enrolling in the next CPSC course.
- If your overall GPA falls below a 2.0, contact your advisor immediately regarding [academic eligibility](#).
- Any deviation from the recommended program of study should be discussed with your academic advisor or the undergraduate coordinator.
- View your current degree progress via DegreeWorks on [iROAR](#).
- It is the student's responsibility for ensuring all scholarship and financial aid requirements are met. Contact the [Office of Financial Aid](#) for any questions.
